**(7) to TECHNICAL SPECIFICATIONS, Article PROVISIONAL TIME SCHEDULE**

**The former text:**

The Defects Notification Period (DNP) shall be twelve (12) months under the Contract and shall commence after completion of the Works. In accordance with the applicable legislation of the Republic of Serbia, the Contractor shall provide an additional warranty period of 1 (one) year for all works and materials, except for the roof tiles installed. For the roof tiles, the Contracting Authority requires a warranty period of 50 (fifty) years.

The duration and sequence of the various activities constituting the Works may be varied by the Contractor to suit its own proposals for carrying out the works, subject to the approval of the Supervisor, but no consideration will be given to any request by the Contractor to extend the Contract completion dates.

**Shall read as new text:**

The Defects Notification Period (DNP) shall be twelve (12) months under the Contract and shall commence after completion of the Works. In accordance with the applicable legislation of the Republic of Serbia, the Contractor shall provide an additional warranty period of 1 (one) year for all works and materials, except for the roof tiles installed. For standard (unglazed) roof tiles, the Contracting Authority requires a warranty period of 30 (thirty) years. For glazed roof tiles, the Contracting Authority requires a warranty period of 50 (fifty) years.

The duration and sequence of the various activities constituting the Works may be varied by the Contractor to suit its own proposals for carrying out the works, subject to the approval of the Supervisor, but no consideration will be given to any request by the Contractor to extend the Contract completion dates.

**All other terms and conditions of the TECHNICAL SPECIFICATIONS remain unchanged.**
